GLOBAL CITIZENSHIP EDUCATION THROUGH A SOCIAL JUSTICE LENS 1

The power of global citizenship education, is that it educates the citizens how to be active members in our community. They learn to develop awareness, caring, and embrace differences in order to promote social justice, sustainability, equality, and live together in harmony.

Global Citizenship Essay | Cram

Being a global citizen simply means a willingness to do this with people from different nations and cultural backgrounds. You may feel like you don't have enough to offer. It's tempting to think you have to travel to a new country every month or fight for social justice to define yourself as a "global citizen." This misses the mark.

Global Citizenship is an increasing awareness that our lives are connected to the lives of people across the world. We are members of a global community with rights & responsibilities to do our part to ensure sustainability of resources, social justice & equity, for all are achieved locally & globally

GNED 500 Midterm Flashcards | Quizlet

Global citizenship is the idea that one's identity transcends geography or political borders and that responsibilities or rights are derived from membership in a broader class: "humanity". This does not mean that such a person denounces or waives their nationality or other, more local identities, but that such identities are given "second place" to their membership in a global community.
