Rule of law Good governance requires fair legal frameworks that are enforced impartially. It also requires full protection of human rights, particularly those of minorities. Impartial enforcement of laws requires an independent judiciary and an impartial and incorruptible police force.

What is Good Governance?

this sense, the concept of 'good governance' means "self-governance". Rule of law thus provides theoretical foundation for the 'good governance' as it provides an instrument to prevent arbitrary exercise of power as well as remedy for harms and injuries caused by misuse or abuse of power. Human

Rule of Law and Good Governance - yubarajsangroula.com.np

Good governance must ensure the rule of law as well as broad-based participation, transparency and accountability in decision making processes. In addition to its explicit linkages with the rule of law, the ILO believes that good governance is in many ways the essence of a rights-based approach to development.

Good governance must ensure the rule of law

Experience has shown that the existence of constitutions alone, no matter how good or comprehensive, do not necessarily guarantee the rule of law or good governance. The rule of law must always guarantee freedom of association, speech, assembly, a free media, freedom from arbitrary arrest, equality of all citizens before the law, equality of women and minorities.
