## **Does the Guided Reading Model Really Work? | Education**

...

The practice of guided reading is based on the belief that the optimal learning for a reader occurs when they are assisted by an educator, or expert 'other', to read and understand a text with clear but limited guidance. Guided reading allows students to practise and consolidate effective reading strategies.

## **Guided reading - Department of Education and Training**

Building fluency during guided reading is our current series. To build fluency, we sometimes must back up to the word level and look at phonics and decoding. Students need automaticity with sounds, word parts, and whole words to increase their fluency. And as always we work to improve fluency so comprehension is more meaningful.
