### Harley Davidson Recent Questions, Troubleshooting Help ...

From the articles I've read about the 110" CVO motor, even after Harley "fixes" the problem, you've still got permanent baked-in oil stains on your rear head & cylinder, since they don't replace them, only the gaskets. Not a great look for a \$30,000+ motorcycle. To make matters worse, usually their "fix" doesn't last and the problem recurs.
