Eye problems in children - Mayo Clinic

Color Atlas of Gonioscopy, by Wallace L.M. Alward, MD, and Reid A. Longmuir, MD, is a brief, but comprehensive, introduction to gonioscopy. Gonioscopy is a visual science, so the greater part of the book is devoted to illustrations of gonioscopic and slit-lamp findings, normal and abnormal.

Color Atlas of Gonioscopy - American Academy of Ophthalmology

What to look for: The eye appears red or pink due to inflammation of the conjunctiva, the thin, filmy membrane that covers the inside of eyelids and white part of eye. The eye tears, has discharge or both, and is usually itchy and uncomfortable. When a viral infection is the cause, the child may also have a fever, sore throat and runny nose.
