Sky Q review: everything you need to know | TechRadar

In reality viewers this will not always be the case (see rest of this section) in which case the HD & SD channels should be swapped when looking at the lists. On older Sky Digital boxes that cannot receive HD channels, all HD channels should be swapped with the SD. For subscribers to Sky HD, non-premium subscription HD channels and Sky's premium subscription HD channels (Sky Sports) on an HD box are "HD swapped" with the SD counterpart, giving the HD version of the channel greater prominence ...
