Volvo 700 Series - Wikipedia

The 740/760 series were launched in 1982, followed by the 940 and 960 in 1990. The 740, which was designed by Jan Wilsgaard, was initially meant as replacement for the 240 model, but Volvo decided to continue production of the 240. The differences that were most visible between the 740 and the 940 series, were the more rounded angles of the ...
