Hi guys, I've been working to get a database on York manuals going and so far I've done well with manuals regarding parts lists, control panel info, ioms. The past week I've been working on a York YS Design A repairing leaks, charging, and now some more troubleshooting. This chiller has been neglected badly. Anyway, from what I can tell there are at least 2 service manuals 160.47-M1 and 160 ...
