Wikibooks is an open collection of (mostly) textbooks. Subjects range from Computing to Languages to Science; you can see all that Wikibooks has to offer in Books by Subject. Be sure to check out the Featured Books section, which highlights free books that the Wikibooks community at large believes to be "the best of what Wikibooks has to offer, and should inspire people to improve the quality of other books."

Your Six Week Plan Join

This six-week plan assumes that a new runner already walks briskly for at least 30 minutes four to six times per week. If you feel challenged at any point and not comfortable moving on to the next week's (or day's) progression, simply repeat the workouts from the previous day or week until you're ready to move on.
